Subject: External: Dual Credit in Communication/Public Speaking

Dr. Spicer,

The series of courses through St. Francis for Composition (Dual Credit) was awesome.

Is there any way or discussion regarding a similar situation for Public Speaking? I know EIU is offering a certificate program, but we have been having a HELL of a time trying to get into it, and it seems like the course work is designed for full time graduate students as opposed to high school teachers.

I thought you might have some contacts in Communications? Is there someone I can reach out to?

I am happy to phone (actually talk) if that's easier!!

Thanks so much!! Hope you get a few weeks off!!
